COURSE INFORMATION

Rolling Meadows G&CC is a demanding 18 hole course easily located off Montrose Rd. in Niagara Falls. It is famous for the quality of its greens, which are regarded as some of the finest in the Niagara Region. It is also famous for its own version of “Amen Corner”, the legendary trio of holes at the Augusta National Golf Club, site of the world renowned Master’s Tournament. At Rolling Meadows, Amen Corner is comprised of the 6th, 7th, and 8th holes, three holes that have the capability of psychologically making or breaking your round.

First you will encounter the par four 6th, a 420 yard challenge that sharply doglegs left and requires not only an accurate tee shot, but also a brilliantly judged approach taking into account the 25 foot drop from fairway to green and the bunkers placed to the right and back of the green.

Next you’ll tackle the devilish par three 7th hole, a long 215 yard challenge with a lateral hazard (Lyon’s Creek) running along the entire left side and a pond on the right. With only 20 feet separating the green’s left side from the creek there is little room for error, especially when you consider that the green slopes slightly towards the creek.

Finally you’ll face the challenging 8th hole, a short par four that tests your accuracy to the limit. You may be tempted to go for the green from the tee but beware of a deep bunker to the left of the green and a severe 30-foot side slope to the right that will direct any errant shot toward the pond.

Rolling Meadows features a practice facility second to none. Spread over eleven acres, this extensive facility incorporates fairway bunkers, target greens along with a short game area and two practice putting greens.

Tournament Prizes

Rolling Meadows G&CC has a fully stocked Pro-Shop with a selection from major suppliers throughout the industry. Regularly priced merchandise, purchased in our Pro-Shop, meant for tournament prizes will receive a discount of 25% (excluding clubs). Along with pro-shop merchandise our Head Professional can assist in ordering any custom or specialized tournament gifts at very competitive prices.

Shotgun Policy

The minimum number of players required to reserve a shotgun is 100. If a shotgun start is reserved and the minimum number of players is not met then the billing will reflect at least 100 players for the golf, cart and dinner portion. Any adjustment to the number of participants must be communicated to the head professional at least two weeks prior to the tournament date. This policy is due to the fact that a shotgun requires the course to be closed from early morning to late afternoon to host the event and therefore severely restricting the availability of tee-times to our members and other green fee guests.
